At last we have been able to book our school photographer to come in and take class pictures. This will take place next Monday morning and pictures will be available to buy shortly after half-term. Recently our attendance figures have been improving which is brilliant and it is thanks to the efforts of both pupils and you as parents - so well done and please keep up the good work! Thank you, *Mr Crabtree*

Year 4 Walk to Healey Dell

Our Yr 4 pupils used the great Whitworth outdoors to inspire some poetry and artwork as well as looking at rivers and the water cycle as they journeyed down into Healey Dell and the surrounding area this week.

Here are two of the Haiku poems created following the visit:

- | | |
|-----------------------------------|--------------------------------|
| Crashing into rocks | Fast flowing river |
| Rapid currents flowing down | A beautiful area |
| Underneath great trees (by Lucia) | Water everywhere (by Arabella) |

Times After Half-Term (from 7th June)

When we come back after the half-term holiday, starting Monday 7th June, we will be returning to our normal start and end school times. This means that all pupils will be expected to be in by 8:55am - and this is when registers will open. As was done previously, doors will open before this time (just after 8:45am) to allow children to arrive and settle into class. Pick-up time will return to 3:10pm for all and doors will not open before this time. We are hoping that with the early opening of doors, we should not have a problem with social distancing but will, of course, monitor the situation. As always, we rely on parents being sensible and considerate in keeping your distance - which I'm sure you will be! Thank You, Mr Crabtree.
