Welcome back to our final half-term of the year. Sadly, we've had one class bubble having to close this week and it's a timely reminder that we all still have to take care of each other and make sure we keep a social distance. Hopefully there won't be much more disruption before the end of term and we will have a great summer - Stay Safe!

## Rossendale Holiday Activity and Food (HAF) Programme

We have been asked if we will be the venue for this summer's HAF sessions in Whitworth. These should run throughout the four weeks in August: Tues–Fri from 9am – 1pm. Pupils eligible for FSM will have priority and we should be able to give you more details shortly.

## SURGE TESTING IN OUR AREA

We are now in a 'surge' area due to the high rates of Coronavirus infections in the Rochdale, Rossendale and surrounding areas. This means that if your child's class bubble needs to isolate, you are encouraged to get your whole family tested. This is to try and catch those people who show no symptoms.
