This has been a difficult start to the year with a lot of COVID cases in Whitworth and this has been reflected in school and we have had to re-introduce measures to reduce infections.

So let's continue to follow our 3Cs and be **CONSIDERATE** to each other around school, Let's **CO-OPERATE** in working to fight this virus and let's be **CONFIDENT** that we can get through this together!

TOGETHER

## OUR GOOD WORK STARS OF THE WEEK

**Rec** – William Law  
**Y1** – Louis Aldred  
**Y2** – Freddie Fitton  
**Y3** – Oskar Mazur  
**Y4** – Lilly Buckley  
**Y5** – Lucia Auxilly  
**Y6** – Lily Perkins

Great!  
Excellent!

## Getting to School on Time!

Our registers open at 8:55am and lessons start at 9am. So at 9:05am, the lessons have been introduced and the work has started. This means that anybody coming in late has missed a vital part of the learning. All classes usually do Reading or English at this time as we find it works best for their development. Our doors open at 8:45am so you have plenty of time to get here!

*Please try and bring your child on time and ready for learning!*

*Thank You!*

## CLASS CONTACT COVID TESTING

Please make sure that if you are told there is a COVID positive case in **your child's class**, you carry out a Lateral Flow Test **EVERY DAY** for the following week. Test packs are free and available from all local chemists

## Attendance Superstars

Last week's best attendance was

**Year 2**

with **96.2% - GREAT EFFORT!**

Keep up the good work and remember to try and help your class by being in every day!

**attendance MATTERS**

## Clubs Delay

Due to the current situation we are delaying our after-school club sessions. This is because they were mixed classes and as we are sticking to separate class 'bubbles' at the moment, it makes sense to delay. Clubs will restart as soon as we can do it 'safely'.

## Reading is Important!

Please try and listen to your child read as this is one of the most important things you can do to help them.

Sharing a book and showing them how important and enjoyable reading a good book can be is a wonderful gift you can give to your child!

## WALKING to SCHOOL

Please try and walk to school if you live close. It's healthier and helps our environment!

## Breakfast Club

(open register)

Operates daily for pupils:

From 7:30am - £2.50

From 8:00am - £2.00

STAY SAFE!

## School Infection Survey

The government's office of National Statistics has asked us to take part in this national survey to help learn about and therefore fight the Coronavirus. All pupil information is kept secret and the sample is taken from the pupil's tongue so it's harmless!
